

Accessibility Statement

REIRE SRL is committed to making its web application accessible, in accordance with Law No. 4 of January 9, 2004. This accessibility statement applies to:

<https://www.reire.com/en>

Compliance Status

Partially compliant

This website is partially compliant with the requirements set out in Appendix A of the UNI CEI EN 301549 standard, due to the non-compliances and exemptions listed below.

Non-accessible Content

The following content is not accessible for the reasons stated:

- Non-compliance with Law No. 4 of January 9, 2004.

List of identified content that is not yet accessible and is being resolved across some pages of the website, with corresponding WCAG 2.1 references:

- **1.1.1 Non-text Content (Level A):** Some meaningful images have missing alternative text. Other images associated with call-to-action elements lack alternative text.
- **1.3.1 Info and Relationships (Level A):** The breadcrumb navigation is described without using semantic elements. Labels of some form fields are not correctly associated with the input fields.
- **1.4.3 Contrast (Minimum) (Level AA):** Light colors on a white background do not meet the required contrast ratio on several pages.
- **2.4.4 Link Purpose (In Context) (Level A):** Some links such as “Read the article” or “Read more” are not meaningful outside of their context.
- **4.1.2 Name, Role, Value (Level A):** Some interactive elements lack role attributes. Example: the arrow buttons used to scroll the homepage slideshow are not marked as buttons.
